VERSE 1

\*\*\*\*\*

**E A E**

Yesterdddddaaaaaay

**C#m A F#m**

We rolled down the streets, like rats

**A B**

There was smoke all around me,

**E B C#m**

but we looked pretty happy

**F#m B E**

To damage this town one more time.

---

**C#m**                  **A**                  **E**  
Where so fashionable glittering eyes  
          **C#m**                  **F#m**                  **E**  
The jury suspects its nine lives  
          **A**                                  **B**  
But were like blind painters  
          **E**                  **B**          **C#m**  
We puke on our paper  
**A**                  **B**                                  **E**  
Waiting to see what comes out.

---

Me and my lady

We are the X ray of life
