**C** **G** **C**  
I recognize the writing, on the plain white envelope.  
**Am** **G** **Am** **F** **G** **C**  
I've wondered where she'd wind up, before she called or wrote.  
**F** **G** **Am** **G** **Am**  
The answer's in a circle, through the word Love on a stamp,

**C** **G** **C**  
I'd have bet on California, cause her sister's in Bel Aire.  
**Am** **G** **F** **G** **C**  
Or I could see Seattle, with her mom and dad up there.  
**C** **F** **C** **G** **Am**  
She never mentioned Alabama, so I don't understand.

Chorus:

**Am** **F** **G** **C**  
A two-page letter written on, Ramada stationary.  
**Am** **F** **G** **C**  
Dated April twenty-two.  
**Dm** **C**  
She asked me not to hate her, said she's sorry.  
**Dm** **F** **C** **G** **F** **G**  
But leavin's what she felt she had to do.  
**C** **G** **C**  
So the day she left she made it, two hundred miles south.  
**Am** **G** **Am**  
Did she settle there, did she mail this note  
**F** **G** **C**  
on her way out of town.  
**F** **C** **G** **Am**  
What chance is there to find her, when the only clue I have is  
**Dm** **C** **G** **C**

Repeat Chorus

**C** **G** **C**  
Every day down by the mailbox, standin' on the curb I check.  
**Am** **G** **Am** **F** **G** **C**  
The upper right hand corner, of every piece of mail I get.  
**F** **C** **Am**  
Hopin' there's that certain circle,

**G**

**Am**

Through the word Love on a stamp.
