If I Canâ€™t Have You
Blackie & the Rodeo Kings
Colin James

E /
Come take a tour of my broken heart
A **E** /
â€™Cuz thatâ€™s where all my troubles start
C#m / / /
And things Iâ€™m goinâ€™ through
B **E** / / /
If I canâ€™t have you

E /
I could sit and cry a thousand tears
A **E** /
Waste my weekends for another year
C#m / / /
Watch my world turn blue
B **E** / / /
If I canâ€™t have you

D **A** /
Set a fire on a love nest floor
E /
But the flames died down
E /
When you got bored
C#m **A** /
Iâ€™ve been livin in four walls of pain
F#m **B** / / /
If you never come back again

E /
Iâ€™m a fallen star with rebel shame
A **E** /
But Iâ€™ve only got myself to blame
C#m / / /
So what am I going to do
B **E** / / /
If I canâ€™t have you

C#m / / /
Oh what am I goinâ€™ to do
B **A** **E** / / /
If I canâ€™t have you

Break

D **A** /
Thereâ€™s nothinâ€™ present but a dial tone

E **E** /
In my empty hand and my broken home

C#m **A** **E** /
Souvenirs from my trip to hell

F#m **B** / / /
Instead of ringing my wedding bell

E /
Iâ€™m takinâ€™ pills and hittinâ€™ town

A **E** /
Iâ€™m drunk before the sun goes down

C#m / / /
But thereâ€™s nothinâ€™ left to do

B **E** / / /
If I canâ€™t have you

C#m **B** / A/ /
Ah thereâ€™s nothinâ€™ left to do

A **E** / / /
If I canâ€™t have you

A **E** / / /
If I canâ€™t have you
