In and out of a thousand stories

D **A**

Here I stand somewhere in between
Kings and Queens, knights and glory
Flash before my eyes unseen.

All in the fun of the faire.
the faire.

// All in the fun of

I have entered through the gates
To see the Queen in her finery
Playing chess with the King of the spades
It is all part of the fantasy.

Laughing and loving and living for summer
Dancing romancing the moon like a lover
Secrets and mysteries kept undercover
All in the fun of the faire.

Am **Dm** **G** **Am**

Painted ladies with haunted eyes
Dance for you as they hypnotize
I can feel your heart beat faster
When the gypsy becomes your master.

Solo: **E E E E**

I see you but you re not the same
The eye can see what it wants to see
Through the veil anything can change
You can be what you want to be!

Laughing and loving and living for summer
Dancing romancing the moon like a lover
Secrets and mysteries kept undercover
All in the fun of the faire.
