Blackmore's Night
Capo 1st fret
| F# | F# | F# | B C#/E | B Ebm | F# C# F# F# | F# | F# |
F#
To the days of Avalon Where magic rules as king
                     Ebm
                                  F#
                                                       F#
The moon beneath the castle walls As the nightingale sings...
The golden bird He gave to me What happiness he brings
                Ebm
                                 F#
                                         C#
Like a star on a Christmas tree As the nightingale sings
               F#
                                  C#
And so we sat, hand in hand and watched the fireflies
                  F#
                                   В
And never spoke a single word But lived to do or die
                 C#
                     | C# |
We lived to do or die
    F#
                                  В
                                                 C#/E
Back to the days of Avalon Where magic ruled as king
                     Ebm
                            F#
The moon beneath the castle walls As the nightingale sings...
| F# | B C#/E | B Ebm | F# C# F# F# |
   C#
               F#
                                  C#
And so we sat, hand in hand and watched the fireflies
And never spoke a single word But lived to do or die
                  C#
                       | C# |
We lived to do or die
                              Bbm
We read of tales of treason A soldiers legacy
Ebm
Blood beneath the crimson sky
                F#/A
Fighting without reason But the crime of loyalty
                     F# C#
               G#m
A tattered flag left to fly...
Back to the days of Avalon Where magic rules as king
                                  F#
The moon beneath the castle walls As the nightingale sings...
The branches bent Like an archers bow As he spread his wings
