Call It Love
Blackmore's Night

Intro: **B**   **D#m**   **E**   **B**   **F#**

     B
I m standing here
         D#m
Watching the waves break on the sand
 E
Holding your hand
    B
And wondering if there was a time
       D#m
When I felt more comfortable
      E
I could conquer the world
    B   **F#**
With you by my side

     B
We ve gone down
  D#m
So many lonely roads
 E
Searched for what we d known was
 B   **F#**   **B**
Right around the corner and I knew
      D#m
From the time I saw your face
  E
From our first embrace
    B   **F#**
That you were the one

      E   **F#**
We could call it luck
      B **D#m**/**Bb** **G#m**
We could call it fate
       E   **F#**   **B**
We could call it heart s desire
       E   **F#**
We could call it a dream
    B   **D#m**/**Bb** **G#m** **B/F#** **E**
Even though we re wide awake
 B/F#   **F#**   **B**
Let s Just Call It Love

   B
I feel like

```
            D#m
I ve known you my whole life
      E
That every day and night
      B                 F#
Was made just for us
     B
I don t know
        D#m
What I ever did before
E
You walked through my door
        B                   F#
And changed my whole life

            E         F#
We could call it luck
          B   D#m/Bb G#m
We could call  it  fate
          E        F#           G#m   B/F#
We could call it heart s desire
          E             F#
We could call it a dream
        B            D#m/Bb   G#m   B/F# E
Even though we re wide awake
 B/F#        F#        B
Let s Just Call It Love
