Where has the time gone...it seems to fly so fast
B   B/G#   G#m G#m/F# Hm   E   F#
One moment you re having fun, the next its come to pass
B   F#   B   E   B
Days turning to yesteryear, old friends find their own way
   E   E/C#   B G#m   E   F#   B
Until the moment you leave...I wish that you would stay...

              E   F#   B   B/G#   G#m G#m/F#
So here s to you, all our friends, surely we will meet again
              E   F#   B
Don t stay away too long this time
                E   F#   B   B/G#   G#m G#m/F#
We ll raise a glass, maybe two And we ll be thinking of you

Until our paths cross again...maybe next time...

Let s laugh at the memories, and talk all afternoon
B   B/G#   G#m   G#m/F# Hm   E   F#
Let s remember the moments that leave us all too soon
B   F#   B   E   B
We ll smile at the pictures still lingering in our minds

When you re reminiscing, then all you need is time...

Tracing faded photographs, a scrapbooks lonely charm
B   B/G#   G#m   G#m/F#   Hm   E   F#
Pressed flowers and dreams we had, our fingerprint on time
     B   F#   B   E   B
The 1st moment we ever met, when your eyes met mine...

I remember the summers of Dandelion Wine..
