<b>Eb</b>	<b>Bb</b>	<b>Hm</b>	<b>Gm</b>
She passes the days one after the other			
<b>G#</b>	<b>Eb</b>	<b>Eb</b>	<b>Bb</b>
She never sees, she never hears			
<b>Eb</b>	<b>Bb</b>	<b>Hm</b>	<b>Gm</b>
Counting the hours, her life is a rerun			
<b>G#</b>	<b>Eb</b>	<b>Bb</b>	<b>Eb</b>
A series of failures rolled into one.			

When she was young she looked towards the future.  
Eyes full of promise, a heart filled with joy  
How had her road twisted so harshly  
Can these two women be one and the same.

**Bb** **Eb**  
 Once she dreamed of romance  
**Bb** **Eb**  
 Once she imagined she lived in a castle  
**Bb** **G**  
 Once she held the world in her hands  
**Hm** **Bb** **G#** **Eb**  
 Once was a long time ago far far away.

(**Eb**), **Bb**, **Hm**, **Gm**, **G#**, **Eb**, **Bb**, **Eb**

How her mind aches, her life s been a hard one  
 Filled with such sorrow, no girl should know  
 How her heart aches, she s loves and she s lost  
 Some say its better, but she disagrees.

**Bb** **Eb**  
 Once she dreamed of romance  
**Bb** **Eb**  
 Once she imagined she lived in a castle  
**Bb** **G**  
 Once she held the world in her hands  
**Hm** **Bb** **G#** **F**  
 Once was a long time ago far far (away.)

**F** **H** **Dm** **Am**  
 When she was young she looked towards the future  
**Bb** **F** **F** **H**  
 Eyes full of promise, a heart filled with joy  
**F** **H** **Dm** **Am**  
 How had her road twisted so harshly  
**Bb** **F** **H** **F**  
 Can these two women be one and the same.
