

Gilded Cage
Blackmore's Night

N.C. Dm Gm Dm
I walk alone, the night wears a shadow
C Dm C Dm
Painted in silver, painted in gold
A Dm A Dm
The moment ends in silence, then the moment grows old

N.C. Dm Gm Dm
And when she smiles, a thousand dreams surround her
C Dm C Dm
Dress them in secrets no one can hold
A Dm A Dm
The fire dies in the distance, as the embers grow cold

A# C F
Sing for me now
Gm Dm
All the world is a stage
A# C F
Smile, take a bow
Em7 A
From your gilded cage

N.C. Dm Gm Dm
Behind the glass, she s safe where no one can reach her
C Dm C Dm
Roses with thorns just make her bleed
A Dm A Dm
A fragile porcelain angel breaks so easily

A# C F
Sing for me now
Gm Dm
All the world is a stage
A# C F
Smile, take a bow
Em7 A
From your gilded cage

N.C. Dm Gm Dm
The restless heart cries when no one is listening
C Dm C Dm
She s waiting for someone, waiting for you
A Dm A Dm
To want, love and need her, to help her make it through
A Dm A Dm
As the moment grows old in her gilded cage
