I ve been to many places I ve travelled round the world
Always on the search for something new
But what does it matter When all the roads I ve crossed
Always seem to lead back to you...

** Old familiar faces Everyone you meet
Following the ways of the land
Cobblestones and lanterns Lining every street
Calling me to come home again

*** Dancing in the moonlight Singing in the rain
Oh, it s good to be back home again
Laughing in the sunlight Running down the lane
Oh, it s good to be back home again

When you play with fire Sometimes you get burned
It happens when you take a chance or two
But time is never wasted When you ve lived and learned
And in time it all comes back to you..

Following the ways of the land

Cobblestones and lanterns Lining every street
