I called your name out loud in the courtyard,  
Hm Hmadd9 G D  
The crystal I held was like an old friend  
G G D  
The vines crawled the walls The wind held its breath  
G C D G Gsus4 | Gadd9 |  
But the answer I longed for never came...

G C G  
Your name, they had said, was cursed beyond measure,  
Hm Hmadd9 G D  
The families at odds fought with poisoned tongues  
G G D  
And yet through the dark, Of blind, bitter hate,  
G C D G Gsus4 | Gsus4 Gadd9 |  
Broke a glittering light of two lover s fate...

G D  
Walls built between us, Miles separate us,  
Em C G D  
Yet in our hearts, we share the same dream...  
G D  
Feelings so strong, We just must carry on,  
Em C G Gsus4 | Gadd9 |  
On to our Magical World...

G C G  
Destiny called them like a silver poem  
Hm Hmadd9 G D  
They followed the dance till the music died out...  
G G D  
Last time they met was on an earth bed  
G C D G Gsus4 | Gsus4 Gadd9 |  
Both knowing they d meet again in the light...

G D  
Walls built between us, Miles separate us,  
Em C G D  
Yet in our hearts, we share the same dream...  
G D  
Feelings so strong, We just must carry on,  
Em C G Gsus4 | Gadd9 |  
On to our Magical World....
