I called your name out loud in the courtyard,  
Hm Hmadd9 G# Eb  
The crystal I held was like an old friend  
G# G# Eb  
The vines crawled the walls The wind held its breath  
G# C# Eb G# G#sus4 | G#add9 |  
But the answer I longed for never came...

G# C# G#  
Your name, they had said, was cursed beyond measure,  
Hm Hmadd9 G# Eb  
The families at odds fought with poisoned tongues  
G# G# Eb  
And yet through the dark, Of blind, bitter hate,  
G# C# Eb G# G#sus4 | G#sus4 G#add9 |  
Broke a glittering light of two lover s fate...

G# Eb  
Walls built between us, Miles separate us,  
Fm C# G# Eb  
Yet in our hearts, we share the same dream...  
G# Eb  
Feelings so strong, We just must carry on,  
Fm C# G# G#sus4 | G#add9 |  
On to our Magical World...

Destiny called them like a silver poem  
Hm Hmadd9 G# Eb  
They followed the dance till the music died out...  
G# G# Eb  
Last time they met was on an earth bed  
G# C# Eb G# G#sus4 | G#sus4 G#add9 |  
Both knowing they d meet again in the light...

G# Eb  
Walls built between us, Miles separate us,
