I called your name out loud in the courtyard,  
Hm Hmadd9 B F#  
The crystal I held was like an old friend  
B B F#  
The vines crawled the walls The wind held its breath  
B E F# B Bsus4 | Badd9 |  
But the answer I longed for never came...

B E B  
Your name, they had said, was cursed beyond measure,  
Hm Hmadd9 B F#  
The families at odds fought with poisoned tongues  
B B F#  
And yet through the dark, Of blind, bitter hate,  
B E F# B Bsus4 | Bsus4 Badd9 |  
Broke a glittering light of two lover s fate...

B F#  
Walls built between us, Miles separate us,  
G#m E B F#  
Yet in our hearts, we share the same dream...  
B F#  
Feelings so strong, We just must carry on,  
G#m E B Bsus4 | Badd9 |  
On to our Magical World...

B E B  
Destiny called them like a silver poem  
Hm Hmadd9 B F#  
They followed the dance till the music died out...  
B B F#  
Last time they met was on an earth bed  
B E F# B Bsus4 | Bsus4 Badd9 |  
Both knowing they d meet again in the light...

B F#  
Walls built between us, Miles separate us,  
G#m E B F#  
Yet in our hearts, we share the same dream...  
B F#  
Feelings so strong, We just must carry on,  
G#m E B Bsus4 | Badd9 |  
On to our Magical World....
