The past is so familiar But that s why you couldn t stay
G D
Too many ghosts, too many haunted dreams
Em G A A/H
Beside you were built to find your own way...
D A F#7 Bm
But after all these years, I thought we d still hold on
G D Em A
But when I reach for you and search your eyes I see you ve already gone...
D A F#7 Bm
That s OK I ll be fine I ve got myself, I ll heal in time
G D A A/H
But when you leave just remember what we had...
D A F#7 F#7/Bb Bm
There s more to life than just you I may cry but I ll make it through
G D | A A |
And I know that the sun will shine again
A
Though I may think of you now and then...

D A Em Bm
Can t do a thing with ashes But throw them to the wind...
G D Em G A A/H
Though this heart may be in pieces now You know I ll build it up again
D A F#7 Bm
And I ll come back stronger than I ever did before
G D A
Just don t turn around when you walk out that door...
D A F#7 Bm
That s OK I ll be fine I ve got myself, I ll heal in time
G D A A/H
But when you leave just remember what we had...
D A F#7 F#7/Bb Bm
There s more to life than just you I may cry but I ll make it through

And I know that the sun will shine again

Though I may think of you now and then...

That s OK I ll be fine I ve got myself, I ll heal in time
G D A
And even though our stories at the end
