

Ocean Gypsy  
Blackmore's Night

[Intro]

**Em B7 Em B7**  
**C G Am B7 Em**

[Verse]

**Em**  
Tried to take it all away  
**Em**  
Learn her freedom just inside a day  
**B7 Em**  
And find her soul, to find there, fears allayed  
**Em**  
Tried to make her love their own  
**Em**  
They took her love, they left her there  
**B7 Em**  
They gave her nothing back that she would want to own

[Verse]

**G D**  
Gold and silver rings and stones  
**Am F G**  
Dances slowly off the moon  
**F Em**  
No one else could know, she stands alone  
**G D**  
Sleeping dreams will reach for her  
**Am F G**  
She cannot say the words they need  
**F Em**  
She knows she s alone and she is free

[Chorus]

**B7**  
Ocean Gypsy of the moon  
**Em D C C# B7**  
The sun has made a thousand nights for you to hold  
**Em B7**  
Ocean Gypsy where are you?  
**Em D C C# B7**  
The shadows followed by the stars have turned to gold

[Verse]

**Em**  
Then she met a hollow soul

**Em**  
Filled him with her light and was consoled  
**B7** **Em**  
She was the moon and he, the sun was gold  
**Em**  
Eyes were blinded with his light  
**Em**  
The sun she gave, reflected back the night  
**B7** **Em**  
The moon was waning, almost out of sight

[Verse]

**G** **D**  
Softly Ocean Gypsy calls  
**Am** **F** **G**  
Silence holds the stars awhile  
**F** **Em**  
They smile sadly for her where she falls  
**G** **D**  
Just the time before the dawn  
**Am** **F** **G**  
The sea is hushed, the ocean calls her  
**F** **Em**  
Day has taken her and now she s gone

[Chorus]

**B7**  
Ocean Gypsy of the moon  
**Em D C C# B7**  
The sun has made a thousand nights for you to hold

**C G Am B7 Em**

[Verse]

**Em**  
No one noticed when she died  
**Em**  
Ocean Gypsy shackled to the tide  
**B7** **Em**  
The ebbing waves, the turning spreading wide  
**Em**  
Something gone within her eyes  
**Em**  
Her fingers, lifeless, stroked the sand  
**B7** **Em**  
Her battered soul was lost, she was abandoned

[Verse]

**G** **D**  
Silken threads like wings still shine  
**Am** **F** **G**  
Windswept pleasures still make patterns  
**F** **Em**  
In her lovely hair so dark and fine  
**G** **D**  
Stands on high beneath the seas  
**Am** **F** **G**  
Cries no more, her tears have dried  
**F** **Em**  
Oceans weep for her, the ocean sighs

[Chorus]

**B7**  
Ocean Gypsy of the moon  
**Em D C C# B7**  
The sun has made a thousand nights for you to hold
