Ocean Gypsy Blackmore's Night [Intro] Em B7 Em B7 C G Am B7 Em [Verse] Em Tried to take it all away Em Learn her freedom just inside a day в7 Em And find her soul, to find there, fears allayed Em Tried to make her love their own Em They took her love, they left her there в7 Em They gave her nothing back that she would want to own [Verse] G D Gold and silver rings and stones F Am G Dances slowly off the moon ਸ Em No one else could know, she stands alone G D Sleeping dreams will reach for her F Am G She cannot say the words they need F Em She knows she s alone and she is free [Chorus] в7 Ocean Gypsy of the moon Em D C# в7 С The sun has made a thousand nights for you to hold Em в7 Ocean Gypsy where are you? Em D C C# в7 The shadows followed by the stars have turned to gold Em B7 Em B7 Turned to gold\_\_\_\_ [Verse] Em Then she met a hollow soul

Em Filled him with her light and was consoled в7  $\mathbf{Em}$ She was the moon and he, the sun was gold Em Eyes were blinded with his light Em The sun she gave, reflected back the night в7 Em The moon was waning, almost out of sight [Verse] G D Softly Ocean Gypsy calls Am F G Silence holds the stars awhile Em F They smile sadly for her where she falls G D Just the time before the dawn F G Am The sea is hushed, the ocean calls her F Em Day has taken her and now she s gone [Chorus] в7 Ocean Gypsy of the moon Em D C# в7 С The sun has made a thousand nights for you to hold Em в7 Ocean Gypsy where are you? Em D С C# в7 The shadows followed by the stars have turned to gold Em B7 Em B7 Turned to gold\_\_\_\_ [Instrumental] C G Am B7 Em [Verse] Em No one noticed when she died Em Ocean Gypsy shackled to the tide в7 Em The ebbing waves, the turning spreading wide Em Something gone within her eyes Em Her fingers, lifeless, stroked the sand в7 Em Her battered soul was lost, she was abandoned

[Verse] G D Silken threads like wings still shine Am F G Windswept pleasures still make patterns F Em In her lovely hair so dark and fine G D Stands on high beneath the seas Am F G Cries no more, her tears have dried F Em Oceans weep for her, the ocean sighs [Chorus] в7 Ocean Gypsy of the moon Em D C# в7 С The sun has made a thousand nights for you to hold в7 Em Ocean Gypsy where are you? Em D C# в7 C The shadows followed by the stars have turned to gold Em Turned to gold\_\_\_\_ в7 Em Turned to gold\_\_\_\_ в7 Em Turned to gold\_\_\_\_ B7 C Am Em Turned to gold\_\_\_\_\_
