Spirit Of The Sea
Blackmore's Night

To clear my mind about the day
       D/C
                      D/B
                             D/A G
I saw a man I d seen before
As I approached, he slipped away
[Verse]
                            Em C
I knew his face from years ago
                G/B
His smile stays with me evermore
               D/C
His eyes, they guide me through the haze
And bring me shelter from the storm
[Chorus]
    Dm
                Em
As I walk, I can feel him
      Αm
Always watching over me
     Dm
                    Em
His voice surrounds me
        Am
                D
My spirit of the sea
[Verse]
He went away so long ago
            G/B
                      Am
On a maiden voyage far away
             D/C
                            D/B
A young man, then I did not know
His life was taken that same day
[Verse]
                                 C
