We are not alone

I had once believed in angels They were everywhere I looked A gentle hand guiding me To give more than I took

But I have died a thousand times Watching all these angels fall Their lonely eyes haunt me still We will avenge them all

(the instrumental part is in Em)
ONE WHOLE step from now on! (to Bm)

*Bring me mead and bring me ale To help us face this fight again Good fortune will shine down on us Together we will win

And they will never break our spirit We will never turn and run And we will rise stronger still
