In a World of Stone

We are not alone

I had once believed in angels  
They were everywhere I looked  
A gentle hand guiding me

To give more than I took

But I have died a thousand times  
Watching all these angels fall  
Their lonely eyes haunt me still  
We will avenge them all

(the instrumental part is in Em)  
ONE WHOLE step from now on! (to Bm)

\*Bring me mead and bring me ale  
To help us face this fight again  
Good fortune will shine down on us  
Together we will win

And they will never break our spirit  
We will never turn and run  
And we will rise stronger still
