G#m/E **F#/D#** **G#Maj/G#**
Can t forget the day
 G#m/E **F#/D#** **G#Maj/G#**
That you walked into my life

And with one kiss, she set me free

ETC ETC ON THE CHORDS

Goodbye loneliness
And so long to my heartache
Now that joy has taken over
And decided to stay

Her love lifts me up
Like no other love before
With every beat of my heart
I m hold, holding on, hey

Just look what she s done for me
She s erased all the sadness away, oh
I can never repay the deed
Cuz she keeps loving me more and more
