CAPO 2

Verse 1

D, F#m, E

Ive been trying to sleep
But in the silence you speak
Of Your love for me,
As I stumble and fall
Your there through it all your right beside me

PRE CHORUS

D, F#m, E

Its taken me so long to find,
That the spill of your heart longs to give me life
So Course through these veins one more time

Verse 2

D, F#m, E

So now Im trying to believe,
Beyond what Ive seen or how Im feeling
Its odd that youd take
Your son to the grave just to save me, O Irony I know (REPEAT PRE CHORUS)

CHORUS

F#m, E/G#, A X2

F#m, E/G#, A, B, D, E

Its something I could never earn
Its something I dont deserve
Its the love that you give, and its all that I want
-I just cant get enough
-I just cant get enough
