

**All About Tonight**  
**Blake Shelton**

good song. im suprised no one has tabbed it.

Verse 1

**G** **C**  
Don t bother telling me what i got coming in the morning  
I already know

**E** **G**  
I got some feelgood pills and a red gatorade by my bed  
Ready to go

**C** **G**  
I m gonna do my best to dance with every girl in this bar  
Before they shut it down

**E** **G**  
Then i ll pay my tab climb in a cab

**C**  
Headin to a spot downtown

Chorus ;

**G** **C**  
It s all about tonight

**E** **G** **C**  
Good times and the music and laughing and grooving to the band

**G**  
Everybody s getting right

**E** **G**  
No worries we re rocking all kinds of concoctions in our hands

**C**  
Yeah tomorrow can wait til tomorrow

**G**  
It s all about tonight

Verse : 2

**G**  
Hey pretty thing

**C** **G**  
I ve been looking at you since the moment that you walked in

**C** **G**  
I got some wild-\*\*\*\* buddies that love spending money

**E** **G**  
And i see you brought a couple of friends

**E**  
Just tell me your name

**G** **C** **G**  
I don t need your number or a date next saturday

**C** **G**  
Baby let s act like fools break a few rules

**C**  
Party the night away

Chorus :

**G**                      **C**  
It s all about tonight

**E**                                      **G**                                      **C**  
Good times and the music and laughing and grooving to the band

**G**  
Everybody s getting right

**E**                                      **G**  
No worries we re rocking all kinds of concoctions in our hands

**C**  
Yeah tomorrow can wait    til tomorrow

**G**  
It s all about tonight

just play the chorus 2 more times after this.
