All About Tonight Blake Shelton

good song. im suprised no one has tabbed it. Verse 1 G С Don t bother telling me what i got coming in the morning I already know Е G I got some feelgood pills and a red gatorade by my bed Ready to go С G I m gonna do my best to dance with every girl in this bar Before they shut it down Ε G Then i ll pay my tab climb in a cab С Headin to a spot downtown Chorus ; G С It s all about tonight Е C Good times and the music and laughing and grooving to the band G Everybody s getting right Е G No worries we re rocking all kinds of concoctions in our hands C Yeah tomorrow can wait til tomorrow G It s all about tonight Verse : 2 G Hey pretty thing G C I ve been looking at you since the moment that you walked in C G I got some wild-**** buddies that love spending money Е G And i see you brought a couple of friends \mathbf{E} Just tell me your name C G G I don t need your number or a date next saturday С G Baby let s act like fools break a few rules С Party the night away

Chorus :

G С It s all about tonight С Е G Good times and the music and laughing and grooving to the band G Everybody s getting right G Е No worries we re rocking all kinds of concoctions in our hands С Yeah tomorrow can wait til tomorrow G It s all about tonight

just play the chorus 2 more times after this.
