Maybe later on
We can (Am) sleep on it
But for (D) right now
We should just
(G) Drink on it

We can talk rocket science
Jesus or politics
How you boyfriend cheated on you
Man, he sounds like such a prick
I could use another whiskey
Your Cosmo s getting low
While we re trying to figure out
The next place we should go, we ll just...

Repeat Chorus

(Am) This place is closing down
(Em) But I don t wanna quit
(C) We got a good thing going
Let s (D) find out what it is..and...

(C) Drink it on
Your place or mine, girl
We can (G) Drink on it

Dust off a bottle and
(C) Drink on it
Feels like we re doing something **(D)** right
Let s find a corner of the **(D)** night
Where you and **(D)** I can just
(C) Drink it on
Put our heads together and
(G) Think on it
Maybe later on
We can **(Am)** sleep on it
But for **(D)** right now
Girl we just need to
(G) Drink on it
