

Ill Just Hold On
Blake Shelton

C

I can taste your kiss on my lips

C7

And Im wrapped around your finger tips

F

G

As I watch the moonlight dancing on your skin

C

Your green eyes and the sweet red wine

C7

Go to my head girl every time

F

And I get drunk on you

D

I lose control and then

G

And here I go again

Chorus

C

Bm

Am

G

Am

Im falling for you even though I know your only playing with my heart

Bm

G

Tomorrow might be hell

C

Bm

Am

G

Am

But a night or two of loving you is better than never at all

G

C

And I cant help myself

G

F

So Ill just hold on

G

Am

Ill just hold on

G

Ill just hold on

C

Until your gone

Girl I know youre a gypsy soul
And Im just a stop along your road
And you hang around long enough to blow my mind
If I had a star for every scar
You tattooed on my heart
I could fill up the Oklahoma sky
So girl I dont know why

Chorus

Ill just hold on

Ill just hold on
Ill just hold on
Till your gone

C

I look down at my cell phone ringin

C7

I see your name and I know what that means

F

But I dont care

Am

Ill just hold on

G

Till your gone

Every time you leave I take it hard

Seeing you go just breaks my heart

But dont care

Ill just hold on

Till your gone

Your green eyes and that sweet red wine

Go to my head girl every time

But I dont care

Ill just hold on

G **C**

Till your gone
