Over by Blake Shelton
Capo 1

[Verse 1]

C **Cm7**
If I could , I would dare
Am **F**
Feed your dreams and starve your fears
C **Cm7**
If I could light the world,
Am **F**
We could sit and watch it burn
Dm **F**
We could fall asleep inside the glow...

[Chorus]

C **Cm7** **Am** **G**
So tell me what I gotta do to win you over
F **D**
You ll never have to wonder if you need another
C **Cm7**
You never have to wonder if I understand,
Am **G** **F**
And every time you reach for me you ll find a hand out,
D
Oh,

[Verse 2]

C **Cm7**
If I could take you in
Am **F**
Feeling you deep beneath my skin

With you as a poison in my veins

I don t wanna fall asleep alone
Dm **F** **G**
And wake up knowing that I died without the one...
