

Sangria

Blake Shelton

[Intro] Em C G D Em C G D

Em C G D  
You re crashing into me like waves on the coast

Em C G D  
Every time we talk, you move in close

Em C G D Em C G D  
I don t want you stop, I don t want you to stop tonight

Em C G D  
We ve got the last two glasses on a straw hook bar

Em C G D  
Trying to remember what number we are

Em C G D Em C G D  
String of white lights making your eyes shine tonight

C D  
We re buzzing like that no vacancy sign out front

C D  
Your skin is begging to be kissed by a little more than the sun

C D  
You take my hand in yours, you lean in

Em C G D Em C G D Em C G D Em C G D  
And your lips taste like sangria, your lips taste like sangria

Em C G D  
Wrecking ball dancing down the hallway

Em C G D  
You re holding your shoes, wearing my shades

Em C G D Em C G D  
We fall against the door, we fall into a wild warm kiss

C D  
We re buzzing like that no vacancy sign out front

C D  
Your skin is begging to be kissed by a little more than the sun

C D  
You take my hand in yours, you lean in

Em C G D Em C G D Em C G D Em C G D  
And your lips taste like sangria, your lips taste like sangria

Em C G D  
Only thing I want to do tonight is drink you like a Spanish wine

Em C G D Em C G D  
Let you let this head of mine keep spinning, spinning around

C D  
We re buzzing like that no vacancy sign out front
