What I Wouldnt Give
Blake Shelton

Intro: **Am7 C/G F F** x2

Intro/Verse

Am7   **C/G**   **F**   **F**
Leave the radio on just to hear a voice other than mine
Am7   **C/G**   **F**   **F**
 cause I can t bear to hear the cold truth runnin through my mind
Am7   **C/G**   **F**   **F**
 Cause everything I did wrong just keeps haunting me, it won t let me be
Am7   **C/G**   **F**
Lyin here without you, girl I m startin to see why you gave up on me

Chorus

       C   **F**   **Am7**   **F**
What I wouldn t give just to go back when
        C   **F**   **G**
You were in my life, I ll do it right this time
      C   **F**   **Am7**   **F**
What I didn t do, was give my whole heart to you
         C   **F**
And that s why you re gone, I know I was wrong
    Am7   **G**   **F**
And I ll never hold you again, because of what I wouldn t give

Break

Am7 C/G F F

Verse

Am7   **C/G**   **F**   **F**
It kills me to think how much you tried to make things work
Am7   **C/G**   **F**   **F**
I wouldn t listen to you, all I would do is put myself first
Am7   **C/G**   **F**   **F**
I took you for granted and I pushed you away a little more each day
Am7   **C/G**   **F**   **F**
Somewhere in-side this hell, I have seen my mistake oh but now it s too late

Chorus

       C   **F**   **Am7**   **F**
What I wouldn t give just to go back when
        C   **F**   **G**
You were in my life, I ll do it right this time

```
        C         F                    Am7               F
What I didn t do, was give my whole heart to you
          C                             F
And that s why you re gone, I know I was wrong
     Am7        G        F
And I ll never hold you again, because of what I wouldn t give

Instrumental break

C F Am7 F G

Chorus

        C         F                    Am7               F
What I didn t do, was give my whole heart to you
            C                           F
And that s why you re gone, I know I was wrong
     Am7        G        F
And I ll never hold you again, because of what I wouldn t give

Am7 C/G F F

 Cause of what I wouldn t give

Am7 C/G F F x4 and fade
```
