Oh Mother, how I did try

**Em**                    **G**                    **Am**                    **G**

I tried so hard, but the well ran dry

**C**                    **G**

The well ran dry

**G**                    **Em**                    **G**

Oh death, where is thy sting

**Em**                    **G**                    **Am**                    **Em**

Lake of fire is my only dream

**C**                    **G**

My only dream
