G#

No More Feelings Blank Humor submitted by: Mike Kincer It s by my band and it s called No More Feelings!!! verse#1: Вb It s hard to say, say that this is very gay. Try and make me feel okay, tell me which is the right way, G# If you want to you can stay, stay with me til the end of th day. chorus: Bb I wish I was everyone s very best friend cause they d be with me til the end, My mind is just about to bend, with all the messages I send And all the wrestlers I ve pinned...NOT!! verse#2: Вb I ll set a fire, where the sign was up for hire, It s okay if yo admire, please turn off the wet hair dryer,

Turn the knob, go get the plyers, whoa, you re fired. chorus
