

Don't Stop  
Blanks

[Intro] Em D Bm A  
Em D Bm A  
Em D Bm A  
Em D Bm A  
Em D Bm A  
Em D Bm A

Em D Bm A

We could get out of here

Em D Bm A

Away from everyone

Em D Bm A

Do a million other things

Em D

I can think of one

Bm A

Or two, three, four

Em D

Hands in my hair

Bm A

Your lips on mine

Em D

No shirt, no blouse

Bm A

Lost track of time

Em D Bm A

Baby I just wanna get you all night to myself

Em D Bm A

We could just leave and go somewhere else

A

Woah-oh

Em D Bm A

Don't stop keep doing what you're doing

Em D Bm A

Don't stop cause I like it like that

Em D Bm A

Don't stop keep doing what you're doing

Em D Bm A

Don't stop cause I like it like that

Em D Bm A

What do I need to say?

Em D Bm A

No need to overthink

Em D Bm A

We could get out of here

**Em**            **D**                    **Bm**

And have another drink

**A**

Or two, three, four

**Em**            **D**

Hands in my hair

**Bm**            **A**

Your lips on mine

**Em**            **D**

No shirt, no blouse

**Bm**            **A**

Lost track of time

**Em**                    **D**                                    **Bm** **A**

Baby I just wanna get you all night to myself

**Em**                    **D**                                    **Bm**            **A**

We could just leave and go somewhere else

**A**

Woah-oh

**Em**    **D**    **Bm**            **A**

Don t stop keep doing what you?re doing

**Em**    **D**                    **Bm**                    **A**

Don t stop cause I like it like that

**Em**    **D**    **Bm**            **A**

Don?t stop keep doing what you re doing

**Em**    **D**                    **Bm**                    **A**

Don t stop cause I like it like that

**Em**            **D**

Hands in my hair

**Bm**            **A**

Your lips on mine

**Em**            **D**

No shirt, no blouse

**Bm**            **A**

Lost track of time

**Em**                    **D**                                    **Bm** **A**

Baby I just wanna get you all night to myself

**Em**                    **D**                                    **Bm**            **A**

We could just leave and go somewhere else

**A**

Woah-oh

**Em**    **D**    **Bm**            **A**

Don t stop keep doing what you?re doing

**Em**    **D**                    **Bm**                    **A**

Don t stop cause I like it like that

**Em**    **D**    **Bm**            **A**

Don?t stop keep doing what you re doing

**Em**    **D**                    **Bm**                    **A**

Don t stop cause I like it like that

**Em**                **D**  
Hands in my hair  
          **Bm**                **A**  
Your lips on mine  
          **Em**                **D**  
No shirt, no blouse  
          **Bm**                **A**  
Lost track of time  
          **Em**                **D**                                **Bm** **A**  
Baby I just wanna get you all night to myself  
**Em**                **D**                                **Bm**                **A**  
We could just leave and go somewhere else  
          **Em** **D** **Bm** **A**  
Woah-oh  
          **Em** **D** **Bm** **A**  
Woah-oh
