While You Were Gone
Blaze Bayley

VERSE1:
Bmi
I did not see
Ami
I did not hear
Gmi   **F#mi**   **Bmi**
I did not feel while you were gone
          Bmi   **Ami**
My blood was cold, I was a stone
                      Gmi   **F#mi**   **Gmi**
You were my own, while you were gone

CHORUS:
Gmi   **Ami**   **F#mi**
Because you are my beating heart
F#mi   **Ami**   **Gmi**
You are the reason why I breathe
Gmi   **Ami**   **F#mi**
These are the things I realized
F#mi   **Bmi**
While you were gone

VERSE2:
Bmi
Something is wrong
     Ami
Inside my brain
        Gmi   **F#mi**   **Bmi**
And them my eyes start to complain
               Bmi   **Ami**
Time slows right down, my days drag on
        Gmi   **F#mi**   **Gmi**
Don t want to live, when you are gone
