This should be fairly right. I typed this off the top of my head because it was from my friend s CD.

(Intro **A D G A**) x2

**A** **D** **G** **A**  
You spend half the time dreaming and the other half s a lie

**A** **D** **G**  
**A**  
You don t know where you re going and you don t know how to try

**A** **D** **G**  
**A**  
You don t really have a best friend but you think that you re in love

**A** **D** **G** **A**  
Now all you can remember are the words he used the most

**A** **D**  
Like the lie in believe

**G** **A**  
The I in deceive

**D** **G**  
The her in together

**D** **G**  
The we in the weather

**A** **D** **G** **A**  
He said a lot of things I m sure he meant them at the time

**D** **G** **D** **G** **A**  
But it s not the end of the world

(**A D G A**)

(**A D G A**)

**A** **D** **G** **A**  
Well you didn t see it coming cause you never understood

A D G  
 A  
 That there s a time to draw the line when things are going good  
 A D G A  
 But you just kept on giving beyond the call of love  
 A D G A  
 And he was kind to rob you blind of the pieces of your heart  
 A D  
 Like that part that made you give  
 G A  
 And the part that made you weak  
 D G  
 When he would softly kiss you  
 D G  
 And tell you that he missed you  
 A D G A  
 I know it doesn t seem like what I m going to say is true  
 D G D G A  
 But it s not the end of the world  
 D G D G A  
 It s not the end of the line  
 A D  
 You know there s more to love  
 G A  
 You know there s more to life  
  
 And I know there s more to you

A D G A  
 Well I can t help but think about you in the middle of the night  
 A D G A  
 I know it s kinda lonely but you have to win this fight  
 A D G A  
 I just wish that I could hold you and tell you it s alright  
 D G D G A  
 But it s not the end of the world

(A D G A)
