[VERSE 1]

F **G**
She donâ€™t care about my car. [RIFF 1]
F **G**
She donâ€™t care about my money. [RIFF 2]
F **G**
And thatâ€™s real good because I donâ€™t got alot to spend, [RIFF 3]
F **G**
But if I did it wouldnâ€™t mean nothinâ€™.

[CHORUS]

F **Am**
She likes me for me
G **C**
Not because I look like Tyson Beckford
F **Am**
With the charm of Robert Redford
G **C**
Oozing out my ears
F **Am**
But what she sees
G **C**
Are my faults and indecisions
F **Am**
My insecure conditions
G **C**
And the tears upon the pillow that I shed

[VERSE 2]

F **G**
She donâ€™t care about my big screen
Or my collection of dvdâ€™s
Things like that just never mattered much to her
Plus she donâ€™t watch too much TV.

F **G**
And she donâ€™t care that I can fly her
To places she ainâ€™t never been
But if she really wants to go
I think deep down she knows that
All she has to say is when...

[CHORUS 2]

She likes me for me!
Not because I hang with Leonardo
Or that guy who played in â€™Fargoâ€™
I think his name is Steve
Sheâ€™s the one for me
And I just canâ€™t live without her
My arms belong around her
And Iâ€™m so glad I found her once again.

[BRIDGE]

G **C**
And Iâ€™m so glad I found her once again.
And Iâ€™m so glad I found her once again.

F **Am**
Gazing at the ceiling
G **C**
As we entertain our feelings in the dark
F **Am**
The things that weâ€™re afraid of are gonna show us
G **C**
What weâ€™re made of in the end.

[CHORUS 3]

She likes me for me
Not because I sing like Pavarotti
Or because I am such a hottie (sigh)
I like her for her
Not because sheâ€™s PHAT like Cindy Crawford
She has got so much to offer
Why does she waste all her time with me
There must be something there that I donâ€™t see

[CHORUS 4]

She likes me for me

Not because Iâ€™m tough like Dirty Harry
Make her laugh just like Jim Carrey
Unlike â€œThe Cable Guyâ€•
But what she sees
Is that I canâ€™t live without her
My arms belong around her
And Iâ€™m so glad I found her once again

[OUTRO]

Found her once again

Iâ€™m so glad I found her once again. Yeah, once again.
