

**Peace And Love**  
**Blessid Union of Souls**

This is my very first tab, figured out with the help of my teacher... so be kind but I do want some constructive comment! =D  
Hope you all enjoy, easy to play even for a beginner like myself...since I could never find it anywhere...

**C**  
May every star you wish upon  
**G**  
And every hope you re hangin on come true  
**C**  
Out of everybody in the world  
**G**  
There s no one who deserves it more than you  
**D**  
I hope you find  
**C** **G** **D** **C** **G**  
Everything you ve been dreamin of  
**D**  
Only good things  
**C** **G** **D** **C** **G**  
No in betweens just peace and love  
**C**  
These words did not come easily  
**G**  
Still you know I had to write them down  
**C**  
You must know what you mean to me  
**G**  
I wish that you could always be around  
**D** **C** **G** **D** **C** **G**  
I hope you find everything you are worthy of  
**D**  
I m gonna miss you  
**C** **G** **D** **C** **G**  
But I only wish you peace and love  
**C**  
Peace and love, tears of joy  
**G**  
Kindness of strangers  
**C**

All of your roads paved in gold  
**G**  
 By guardian angels  
**Em C**  
 Wherever you may be in this world  
**Em A**  
 My salutation says it all  
**C D**  
 May you always have enough  
**G D C G**  
 Peace and love

**C**  
 I let you go unselfishly  
**G**  
 Cause everyone needs time to be alone  
**C**  
 Well maybe time will bring you back  
**G**  
 And if it does you ll always have a home  
**D**  
 I sign my name  
**C G D C G**  
 No one to blame it on because  
**D**  
 I m on your side  
**C**  
 No question of pride
