OBS.: A música é dedilhada, mas eu resolvi colocar os acordes para facilitar.

Em C D9 D D4

I am lost in the black chamber

Em C D9 D D4

There s no way to turn it back

Em C D9 D D4

There s still life

Em C D9 D

in a diferent world

Am F E

It takes me down forevermore

Am F E

And death could be so sweet

Am F E

A dancing gnome in an empty room

Am F E

A cruel and painful game

Am F

I m possessed by the old creature

E E7

Who had planned to take my soul

Too late for me

In my hands

It liest I thought

But I failed

Now he s in me

My soul is lost

In his black chamber

I m gone
