

Carry The Blessed Home
Blind Guardian

G# F# Db E

G# F#
Pale faced, the innocent
Db E
Will drown in blood
F# G#
Hurt and withdrawn,
F#
Don t dare to steal my grief
G# F# E F# G#
In this haze of green and gold, he s gone

F# G#
Blind my eyes and I still can see through the mist
F# G#
To the very end, there I ll face what I fear the most
F# G#
Blind my eyes but it all doesn t matter right now

F# G# F#
I would bury my dead and keep on till the end
G# F#
I won t give up, I won t give up
G# F#
I ll turn to the red fields of none
G# F#
There s a grave, there s a rose

Eb
Drift away, I can hear me say
F# G#
Soon you all shall be free
F#
Carry the blessed home
Db G#
No one s left here but me and I ll sing out your name

F#
Call me insane, I know
G# E
I ve opened my heart and my soul to you son
G# F# Db E G# F#
So pale turns the innocence and all I feel is pain
Db E G#
Suddenly I understand, he s gone

F# **G#**
 Blind my eyes and I still can see through the mist
F# **G#**
 To the very end, there I ll face what I fear the most
F# **G#**
 Blind my eyes but it all doesn t matter right now
F# **Db**
 But it all doesn t matter right now

G#â€¦
 G# F# G# F#
 Ebâ€¦ F#â€¦ G#â€¦

F#
 Carry the blessed home
Db **G#**
 No one s left here but me and I ll sing out your name

G# **F#**
 Driven insane? Oh, no, no, no
Db **E** **F#**
 What I feared the most I have faced and that s truth
G# **F#**
 The grey faced, not innocent
G# **E** **F#** **G# F#**
 Though I cry in dismay, I will follow decay, I ll move on
Db **Eb** **E** **F#** **G#**
 Is there anyone here who knows how it feels to be wrong?

F# **G#**
 Blind my eyes and I still can see through the mist
F# **G#**
 To the very end, there I ll face what I fear the most
F# **G#**
 Blind my eyes but it all doesn t matter right now
F# **G#**
 But it all doesn t matter right now
E F# **G# E F#** **G#**
 matter right now, matter right now
