

Carry The Blessed Home
Blind Guardian

G F C Eb

G F
Pale faced, the innocent
C Eb
Will drown in blood
F G
Hurt and withdrawn,

F
Don t dare to steal my grief
G F Eb F G
In this haze of green and gold, he s gone

F G
Blind my eyes and I still can see through the mist
F G
To the very end, there I ll face what I fear the most
F G
Blind my eyes but it all doesn t matter right now

F G F
I would bury my dead and keep on till the end
G F
I won t give up, I won t give up
G F
I ll turn to the red fields of none
G F
There s a grave, there s a rose

D
Drift away, I can hear me say
F G
Soon you all shall be free
F
Carry the blessed home
C G
No one s left here but me and I ll sing out your name

F
Call me insane, I know
G Eb
I ve opened my heart and my soul to you son
G F C Eb G F
So pale turns the innocence and all I feel is pain
C Eb G
Suddenly I understand, he s gone

Blind my eyes and I still can see through the mist
To the very end, there I ll face what I fear the most
Blind my eyes but it all doesn t matter right now
But it all doesn t matter right now

Carry the blessed home
No one s left here but me and I ll sing out your name

Driven insane? Oh, no, no, no
What I feared the most I have faced and that s truth
The grey faced, not innocent
Though I cry in dismay, I will follow decay, I ll move on
Is there anyone here who knows how it feels to be wrong?

Blind my eyes and I still can see through the mist
To the very end, there I ll face what I fear the most
Blind my eyes but it all doesn t matter right now
But it all doesn t matter right now
matter right now, matter right now
