

War Of The Thrones  
Blind Guardian

From the new album, At The Edge Of Time

Intro:

**G#m F# C#**

**G#m F# C#**

Nothing will grow here

**G#m F# C#**

Icy fields - blackened sorrow

**G#m F# C#**

Legacy of a lost mind

**G#m**

Feed my void

**F# C#**

What you re waiting for

**E**

I m too late

It is more than a game

**C#**

The river reveals

**G#m**

Now I m in between these lines

**F# E G#m**

I cannot escape it seems

**F# E**

Sail on, my friend

**B E**

All I ever feel is

**B F#**

All I ever see is

**B E**

Walls they fall

**B F# B**

When the march of the others begin

**E**

All I ever feel is

**B F#**

All I ever see is

**B E**

Rise and fall

**B F# G#m F#**

When the War of the Thrones shall begin

**G#m**  
While I sit there in silence  
**F#**                    **G#m**  
Come and talk to me  
I can't free my mind  
**F#**                    **G#m**  
It is all I'm begging for  
While I sit there in silence

**F#**

**G#m**  
Will it ever end?  
          **F#**                    **C#**  
Will I find what I'm longing for?  
**G#m**                                    **F#**                    **C#**                    **G#m**  
Will I ever walk out of the shadows so grey?  
                                  **F#**                    **C#**  
I'm condemned, I am hallowed  
**G#m**                                    **F#**                    **C#**  
Icy fields they won't hurt anymore

**E**  
Will you walk with me?  
Any further  
**C#**  
There at world's end  
It's me  
          **G#m**  
I sing  
          **F#**                    **E**                    **G#m**  
I cannot escape it seems  
                                  **F#**                    **E**  
Sadly I sing

**B**                    **E**  
All I ever feel is  
**B**                    **F#**  
All I ever see is  
**B**                    **E**  
Walls they fall  
                                  **B**                    **F#**                    **B**  
When the march of the others begin

**E**  
All I ever feel is  
**B**                    **F#**  
All I ever see is  
**B**                    **E**  
Rise and fall  
                                  **B**                    **F#**                    **G#**                    **F#**  
When the War of the Thrones shall begin

**G# F#**

Away

**E F#**

Watch the river it flows

**G#m E**

I cannot believe in more

**F#**

And now my time will come

**G#m**

Carry on

**G#m F# C# (x2)**

**G#m F#**

Will I ever learn from the past?

**C#**

Will I fade away?

**G#m F# C#**

Will I ever stay where the shadows will grow?

**G#m F# C#**

There is luck at the gallows

**G#m**

I will free my mind

**F# C#**

Soon it will show

**E**

Let it rain

There ll be no spring

**C#**

My dream is a mirror

It reveals a matter of lies

**B E**

All I ever feel is

**B F#**

All I ever see is

**B E**

Rise and fall

**B F# B**

When the War of the Thrones will begin

**B E**

All I ever feel is

**B F#**

All I ever see is

**B E**

Rise and fall

**B F# B E B F#**

When the War of the Thrones has begun

**B E**

Leave a fee for the tillerman

**B**

**F#**

**B**

The tillerman and the river behind

(Just repeat the **B,E,B,F#** till the end)
