the cones, so bright, become the things i can t ignore

(**F#m-E**, **F#m-E**, **F#m-E**, **F#m-E**)

E **F#m**
hello headlights, you ve always been good to me

B **Ama j7** **E**
but tonight there...there s a different look in your eyes

E **F#m** **B**
as those dogs in the road are asleep for the night

Ama j7
they ll be gone in the morning

F#m **E**
how much would it be

F#m **E**
to get me to the rides?

F#m **E**
wrap me in the sun

F#m **B**
speak my wooden eyes?

F# **C#m** **G#m** **E**
and what will i need to get me on the dinosaur rides?

E
those dinosaurs that stomp through my brain

F#m **B** **Amaj7**
are driving me insane, oh

E
those dinosaurs that stomp through my brain

F#m **B** **Amaj7**
are driving me insane, oh

F#m **E**
the deeper that i dive,

F#m **E**
the water flows inside

F#m **E**
the harder they pound,

F#m **B**
as my skulls their ground

F#
and what will i need?
