Jimmy, we need to borrow this for a minute  
Cause we need to escape

E  
Now there's so many things that

He's gonna do in 5 lifetimes

Hell I couldn't do 'em all

A  
And while he's rolling his own smokes

He says to me heâ€™s buying a new ride today

A classic deal the boss will give

**A E/B D E5**

He said the same thing two weeks ago

(2nd Verse)

Youâ€™ve seen that sweaty jet rag  
Feeling come over him, and Iâ€™ve  
Seen that boy nod into a dream a time or two  
And on his way out his glazed stare  
Will make you stop and wonder  
Hey William is that the last time  
Iâ€™m gonna look at you?  
But the next day the phone will ring  
And it will be him. Can you drive?

**E**

What would you say

**D DE# E**

What would you do

**D D# E**

Or should I pray?

**D D# E D D# E**

Or do you think that this blind mind

**D D# E D D# E D D# E D D# E**  
would listen to me, an-y-way
