```
E           A           B           E
I remember we used to sit out back and drink until the morning light
E           A           B           E
Always bummin  smokes and talking trash about the pleasure we had
G#           C#7
Summers come and gone
G#           C#7
And the winter needs a song
G#           C#7           A           B           E
And I guess I keep movin  along with the ride that I have in my head
A           B           E
Ride that I have in my head
```

```
E           A           B           E
Oh we used to drop some pills and sing til we lose our voice
E           A           B           E
Chasing our dreams, we tried to put em  in a bag and save em  for another day
yeah
```

```
G#           C#7
Oh I feel,these memories have real
G#           C#7
Times you can t steal
G#           C#7           B           E
For the love that I have for my friends
A           B           E
Love that I have for my friends
```

(E A7 B7)

```
E           D
I just can pretend I need you
E           D
You aint  no other love I never had
G#           C#7
Soon you will find my heart
G#           C#7
Its a beat that will never stop
```

A B
Its the loneliest time apart
