

No Rain Intro
Blind Melon

OK, This is all you play for the during most of the entire song

-0-5-4-5-2-0---0---0-5-4-5-
-----3---3-----

Then as you go into the beggining of the chorus you go

---0---0-----0---0-----
-3---3---3-3---3--3-----
-----4-3-4--

But on the 3rd Fret, 3rd Chord, you slide baby yea.

This might suck a little, but it gives the main idea of the song. Peace.
