No time                      frame, for what I need to do to--day

**F#m7**                      **G**                      **D**  
Here at the yellow house.      I think Iâ€™m gonna play

**F#m7**                      **G**                      **F**                      **D**  
With some free livinâ€™ lads down the street always away

As I feel the moon rise  
The time that all feels is the right time  
Here in our sleepy house  
As I wipe eye bugs away, the candle flickers at me to say  
And in my head I sometimes pray

**D A C D**  
Arenâ€™t ya feeling fine

**C**  
As I was as a little child

**D A C D**  
And Iâ€™m feeling better when Iâ€™m high

**C D**  
With a red light shinning on,      shinning on in a little unity  
The mistakes that Iâ€™ve made  
No they donâ€™t seem to bother me  
I sure as hell donâ€™t feel like  
I missed any kind of train  
If I could only show you how I feel  
Then you wouldnâ€™t bother me

And then maybe youâ€™d see why we  
Donâ€™t mind being blind  
As I was as a little child  
And Iâ€™m feeling better when Iâ€™m high  
With a red light shining on, shining on in a little unity
