Am **E**

All these people here they won't
leave me alone and we
need a little time to ourselves

And half the reasons why I'm
sketchin' all the time
The result of this life in hell

F (N.C.)-let **F** ring
But oh well, I think it's time

Riff 1

(Strum Pattern like first 2 bars above but with E in second bar)

Am **E**

My faith is falling like the
leaves from a tree

Am **E** **C**
The pockets both take it away

The sun warms my body as I'm
sitting on a swing watchin'
columbus clouds bring in the rain

F (N.C.)-let **F** ring
But Oh well, I think it's time

(Riff 1 four times (timing for words follow chord pattern))

(Am)	(F)	(E)	(Am).....
		its time to	go

Chorus

(1 3) (1 2 3 4) - Strumming Pattern

D **A**

My mind is playing tricks on
me all the time

D **A** **E**

To let you know that I am real

And all the worries you build

up inside your soul
The ones that make your world stand still..

(N.C.) - (let E ring)
Mean you can feel

(Riff 1) x 4 -lyric timing as above
That its time to go (on first time)

Am (strum)
(**Am**) x3 (**E**)

Are you fed up, are you fed up with me
Do you think that you could do better?

Semi Muted these Chords:

(**A**) (E)
Five fed up faces with the
itch to kill the king
(**A**) (E) (C)
Blood red sunrise and a breath to air that s clean

I drink from the faucet from the
porch I take a pee. I
(**A**) (E) C - loud
look at you through the bushes, where you can t see me

Chorus 2 (Play like chorus 1)

I laugh and slip into
another state of mind
To let you know that I am real

And all the worries that build
up inside your soul
The ones that make your world stand still....

(N.C.)-let E ring
Mean you can feel

(Riff 1)
That its time to go.
