

## Walk

### Blind Melon

Intro: Am C G F Am C G

Find myself singing the same songs everyday

Am C G F

Ones that make me feel good

Am C G

When things behind the smiles ain't okay

Am C G F Am C G F

Around and over and in-between the seas

Am C G F

I need to be on top of a mountain

Am C G F

Where I can be see everything

Am C G

Cause this paranoia's getting old

Am C G F Am C G F

Now as I open my eyes to start another day

Am C

I'm in a pile of puke

G F

Empty bag of excuses

Am C G F let ring

My love for friends and family

F let ring

you know I need them

Am C G F Am C G F

And under a sun that's seen it all before

Am let ring C let ring

My feet are so cold

G let ring F let ring

And I can't believe that I have to bang my head against this wall again

Am C G F Am C G F

But the blows they have just a little more space in-between them

Am C G F Am C G F

Gonna take a breath and try, try again.
