

Woah Dog
Blind Melon

Blind Melon
Woah D.O. G (live version)

This is a live version that is played with a harmonica, I think in A, but I'm not sure
It's an awesome tune, Shannon Hume plays it solo on the version I have. Easy
tune to play, the
rhythm is a little off, but if you listen to the tune, you'll get the rest.
Enjoy

Intro
Am C G F x2
Am C G

Am C G F
I was just sitting here thinking how you'd console me when I was pissed
Am C G F
Now I wonder would I like to see you run to me but then they
Am C G F
took you away from me and now I'm so god dam mad that I can't see and
Am C G F
I wonder if you're feeling anything at all in your new
Am C G F Am
world woah and I said d.o.g. where did you go
C G F Am
Woah I said d.o.g. where did you go
C G F Am
Woah I said d. o. g.
C G
Ya, Ya
