

How About You  
Blind Willie McTell

[Verse]

**F**                    **F7**                    **Bb**                    **C#7**  
How well do i remember how jesus seen me through  
**F**                    **F7**                    **G7**                    **C7**  
I laughed and prayed for a night or two  
**F**                    **F7**                    **Bb**                    **C#7**  
I said lord take and use me, there s nothing this boy can do  
**F**                    **C7**                    **F**  
I gave my hear to jesus how about you?

[Chorus]

**F**  
How about you?  
**Bb**  
How about you?  
**F**                    **F7**                    **G7**                    **C7**  
I hope my savior is your savior too  
**F**                    **F7**  
I said Lord take and use me  
**Bb**                    **C#7**  
There s nothing this boy can do  
**F**                    **C7**                    **F**  
I gave my heart to jesus how about you?

[Verse]

**F**                    **F7**                    **Bb**                    **C#7**  
My friends talk about me, I sew my relations too  
**F**                    **F7**                    **G7**                    **C7**  
For many of those years I hadn t paid the debt I owe  
**F**                    **F7**                    **Bb**                    **C#7**  
My life began to fail, he ll see me safely through  
**F**                    **C7**                    **F**  
I gave my heart to jesus how about you?

[Chorus]

**F**  
How about you?  
**Bb**  
How about you?  
**F**                    **F7**                    **G7**                    **C7**  
I hope my savior is your savior too  
**F**                    **F7**  
I said Lord take and use me  
**Bb**                    **C#7**

There s nothing this boy can do

**F** **C7** **F**  
I gave my heart to jesus how about you?

[Verse]

**F** **F7** **Bb** **C#7**  
I m gonna see my sweet mother, and meet my father too  
**F** **F7** **G7** **C7**  
We gonna talk about all those things we used to do  
**F** **F7** **Bb** **C#7**  
And some of my friends gonna ask me, how d you make it through?  
**F** **C7** **F**  
I made it through tribulation how about you?

[Outro & Chorus]

**F**  
How about you?  
**Bb**  
How about you?  
**F** **F7** **G7** **C7**  
I hope my savior is your savior too  
**F** **F7**  
I said Lord take and use me  
**Bb** **C#7**  
There s nothing this boy can do  
**F** **C7** **F**  
I gave my heart to jesus how about you?
