Primeira Parte:

```
D5           G5           B5
  I never thought, I d die alone
           G5           D5
I laughed the loudest, who d have known?
           G5           B5
I traced the cord back to the wall
           G5           D5
No wonder it was never plugged in at all
           G5           B5
I took my time, I hurried up
           G5           D5
The choice was mine, I didn t think enough
           G5           B5
I m too depressed to go on
```

G5

You ll be sorry when I m gone

I never conquered, rarely came
 Sixteen just held such better days
 Days when I still felt alive
D
 We couldn't wait to get outside
Em Bm
 The world was wide, too late to try
G D
 The tour was over we'd survived
Em Bm
 I couldn't wait till I got home
G
 To pass the time in my room alone

(Introdução)

Segunda Parte:

D5 G5 B5
 I never thought, I'd die alone
G5 D5
 Another six months I'll be unknown
G5 B5
 Give all my things to all my friends
