

G#m **E**
What you hear is all hearsay
B **F#** **G#m E**
Wish someone would tell me what was right

[Chorus]

B **F#**
Up all night long
B **F#**
And there s something very wrong
G#m **E**
And I know it must be late
G#m **E**
Been gone since yesterday
F# **E** **B**
I m not like you guys
F# **E**
I m not like you

Interlude: **B-E-G#m-E** x2

[Verse 3]

B **F#** **G#m** **E**
I am still as skeptic, yes you know me
B **F#** **G#m E**
Been best friends and will be till we die
B **C#m**
I got an injection
G#m **E**
A fear from the abduction
B **F#** **G#m**
My best friend thinks I m just telling lies
E
Alright

(Repeat Chorus)

Interlude: **G#m--F#--E--B-F#/Bb** x2

[Bridge]

G#m **F#**
Dark and scary ordinary
E **B** **F#/Bb**
explanation information
G#m **F#**
Nice to know ya paranoia
E **B** **F#**

Wheres my mother bio-father

(Repeat Chorus except last line)

F# **E** **B**
Twelve majestic lies
